All: I cry to God Most High, to God who fulfills his purpose for me.

One: He will send from heaven and save me, he will put to shame those who trample on me.

From PCC: Sunday, June 23

We pray for Knox College and its new students who will be invited to register for program studies in early July. We pray for continued discernment of God's call to equip and prepare them for service.

Mission Moment: Sunday June 30

After participating in the New Beginnings program that guides congregations through a renewal process to discern God's call for their future, St. James (North Yarmouth, ON) began a ministry to help address the social isolation of seniors and older adults, both within the congregation and the surrounding community. St. James adapted its service to become an interactive, conference-call worship model that allows people at home or in care facilities to participate more fully through prayer, reading scripture or singing. Community programming for seniors is also centred around encouraging greater social inclusion, through delivering hot meals and care packages, a weekly home visit program with the minister and elders, and even chartering a bus to sing carols and bring Christmas cheer to doorsteps during Advent. St. James receives support from Presbyterians Sharing.

Restoring the Castle – by Joni M. Hill

Two things going for this book – it takes place in a fictional castle on the Island of Skye – and the author's surname is Hill – one of my middle names, through my maternal Grandmother!!!! There, doesn't that make you want to read it already.

This is purely a love story! It is a family story and is a lovely, easy read. There are two families who are joined as one by the marriage of Annie Montgomery's aunt into a family who own, and live in Castle Kilmegan. Annie's father is the sister of Barbara and as the two families meet together for summer holidays they become almost as one family except that Annie finds herself falling in love with Ian. They are like cousins, but are not actually blood related.

Annie has followed a path of architecture, and is invited to help with the restoration of the castle. Her father is in poor health, and wants to spend his last days at the castle, but of course he has an ulterior motive for being there, and for Annie to be there with him.

An interesting, sometimes frustrating read but oh, I did enjoy it!
